MINUTES OF THE CRITICAL COMMUNICATIONS
COMMITTEE - 14 AUGUST 1959

1. The Committee discussed the plans for the test of the CRITIC System prepared in response to a request from General Goodpaster. With minor changes, the test proposal was approved and the Chairman undertook to circulate a briefing paper on the test to the members of the U.S. Intelligence Board.

2. The Committee reviewed the desirability of reporting [redacted] in the CRITIC System and agreed that no change in the previous Committee decision that such matters should not be reported in the CRITIC System, unless there was evidence of hostile intent.

25X1

[redacted]

4. The representative of the CIA, Office of Communications, agreed to furnish the members of the Committee with a paper describing the CIA communications position for the receipt of CRITIC messages by telephone.
